Re: Ternigan v. Hamoui;  
DR-89-1459

Dear Judge Ford;

I have carefully read your response to my letter of December 31, 1997. It is apparent that we will not reach agreement on the content of the transcript. In the absence of any agreement, I believe that it is in the best interest of my client if we can proceed with moving this case through the appeals process. Would you please act on Defendant's Motion to Correct the Record, filed December 16th, 1997, and attach it with the transcript so that the Clerk of Lehigh County Court of Common Pleas can forward both to the Pennsylvania Superior Court? I would like the record include my objection to the content of the transcript as published.

Thank you for your efforts in this matter.

Very truly yours,

---

Re: Ternigan v. Hamoui;  
DR-89-1459

Dear Attorney Maurer;

I am sending you my latest correspondence with the Honorable William E. Ford. Also, I believe you had requested a copy of my response to Judge Ford's Rule 1925 Order for a Statement of Matters Complained Of. I apologize for overlooking that request last week, and have included a copy with the above.

If there are any other documents which I may have overlooked, please advise me and I will be happy to forward them to you. Thank you for your attention in this matter.

Very truly yours,

Re: Ternigan v. Hamoui;

Dear Ms. Sherry;

As you know, I have stated for the record that the audio tape in the above-captioned matter has been altered. I am writing to you to let you know that I do not now, and have not at any time suspected you or any of your peers with any involvement in this very traumatic matter. This letter is sent for the purpose of allowing you some peace of mind and having comfort in the knowledge that your integrity has never been questioned in my mind.

I wish you continued success as you continue to serve Judge Ford and Lehigh County.

Very truly yours,
